

Insurance Built for Automotive Collections

Why Museums Choose Huntington T. Block

Your museum preserves some of the world's most irreplaceable vehicles. Huntington T. Block (HTB) specializes in insurance solutions designed specifically for automotive museums—protecting your collection, your visitors, and your mission.

Protect Vehicles for Their True Value

- HTB's museum policies pay market value at the time of loss

No Per-Vehicle Value Cap

- Host or acquire a high-value vehicle without worrying about restrictive limits
- A blanket policy means no per-car maximum within the overall program limit

No Need to Report Every Inventory Change

- Collections are always in motion—on display, on loan, in storage, or in transit

Coverage Designed for Museum Operations

- Garage keepers (customers' vehicles in your care)
- Vehicles on loan coverage (borrowed and loaned vehicles)

Coverage for Automobilia

- Protection for collectibles such as gas pumps, model cars, license plates, signage, mascots, and more

Additional Program Coverages Available

HTB can coordinate a comprehensive insurance program that supports your museum, staff, and operations:

- General Liability
- Building and Business Personal Property
- Workers Compensation
- Umbrella / Excess Liability
- Directors and Officers (D&O)
- Cyber Crime / Cyber Liability
- Event Cancellation (canceled covered events)

Get a Customized Quote

Ensure your insurance works the way your museum works. We'll evaluate your existing program and identify gaps, overlaps, and opportunities to strengthen protection for your collection.
